# Notebooks

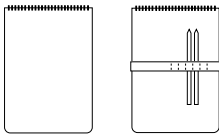

# Notebooks

## Spiral

A very popular flip-top notepad with a black or kraft classic cardboard cover and a top bound double-spiral. It comes with an attractive and practical coloured notebook strap that holds up to five pens or pencils and keeps everything in your notepad tightly enclosed.

 A4 210 × 297 mm | A5 148 × 210 mm

Interior paper weight: 80 g/m²

Pages: 120

Lines: blank pages | lines | dots (↔ 7.5 mm)

Binding: metal double spiral

Cover: hard paperboard with dyed cardboard cover

Vertical band: no

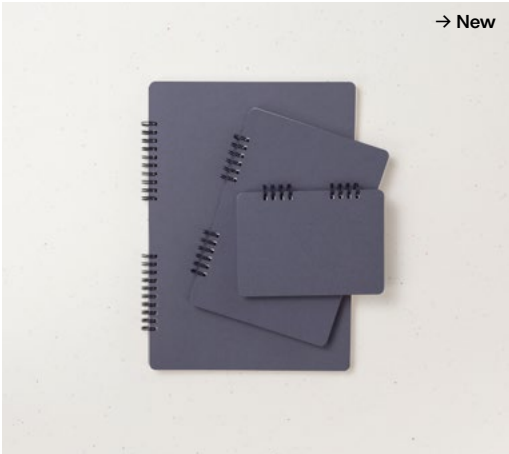

Colours: ● ●

- Compatibility with pencil bands
- Durable covers
- Simple metal spiral binding
- Natural white paper for notes or sketching

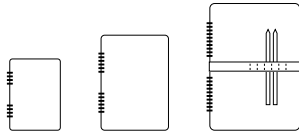

# Notebooks

## Softblok 2.0

New and better version of flexible spiral-top notepad with a bright cover in a set with a matching notebook strap and pencil. The notepad is suitable for just about anything from sketching, taking notes or writing shopping lists.

 A4 210 × 297 mm | A5 148 × 210 mm | A6 105 × 148 mm

Interior paper weight: 90 g/m<sup>2</sup>

Pages: 120

Lines: dots (↔ 5 mm)

Binding: metal double spiral

Boards: dyed cardboard

Vertical band: no

Colours: ● ● ● ● ●

→ Compatibility with pencil bands

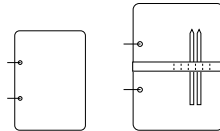

→ Several bright colours

→ Simple metal spiral binding

## Skica

The hard pages of this sketchbook are firm enough for painting with watercolour or ink. Easy-to-open rings allow you to take out individual pages and exhibit your best work. Available in two sizes.

 M 120 × 175 mm | L 160 × 230 mm

Interior paper weight: 240 g/m<sup>2</sup>

Pages: 80

Lines: blank pages

Binding: easy-to-open rings

Boards: dyed hard paperboard

Vertical band: no

Colours: ●

→ Pencil band with larger holders for art supplies

→ Easy-to-open ring binding for inserting new papers

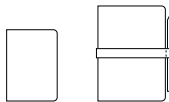

→ Natural white heavy paper with velvety surface

# Notebooks

## Classic limited 2023

One school notebook; endless possibilities! A limited edition of our best-selling notebook will accompany you to school and work, but it has far more potential than just that! You can transform it into your collection of short stories or a record of your workouts. Basically, it's best use is what you enjoy doing the most.

 A5 148 × 210 mm | 90 × 140 mm (smaller A6)

Interior paper weight: 80 g/m²

Pages: 52

Lines: blank pages | lines | dots (↔ 7.5 mm)

Binding: stitched hooks

Cover: dyed cardboard

Vertical band: no

Colours: 

→ Compatibility with pencil bands

→ Various colours and sizes

→ Recycled paper inside

→ Several interior formats

# Notebooks

## Professio

For sketches and evening courses. A refined notebook with visible stitching on the spine where colours correspond to the coloured inside of the cover. This atypical format is a solution for those who can't decide between A4 and A5 formats, and the expert craftsmanship will please even the most discerning user.

 B5 176 × 250 mm

Interior paper weight: 80 g/m²

Pages: 108

Lines: lines | ruled

Binding: hand-stitched

Cover: dyed cardboard

Vertical band: no

Colours: ● ●

- Compatibility with pencil bands
- Dual-colour laminated cover
- Colour hand-stitched binding
- Woodless paper with a velvety surface

# Notebooks

## Professio midi

A notebook with a smooth cover and colour-coordinated stitching on the spine. The practical size offers sufficient room for notes while not being cumbersome. It's great for those who love to keep their notes close at hand. There is also an option with a pencil band to create a complete set.

 B6 185 × 135 mm

Interior paper weight: 80 g/m<sup>2</sup>

Pages: 80

Lines: dots (↔ 7.5 mm)

Binding: hand-stitched

Cover: dyed recycled cardboard

Vertical band: no

Colours: ● ●

- Compatibility with pencil bands
- Hand-stitched binding
- Woodless paper with a velvety surface

## Classic A5

A time-tested traditional format in natural colours using 100% recycled paper that make it simply perfect. Users are free to let their imagination run wild aided by the internal dots for writing and drawing.

 A5 148 × 210 mm

Interior paper weight: 80 g/m<sup>2</sup>

Pages: 64

Lines: dots

Binding: stitched hooks

Cover: dyed recycled cardboard

Vertical band: no

Colours: ● ●

- Compatibility with pencil bands
- 100% recycled paper
- Two colours

## Pocket Classic with Band

Whether you're jotting down ideas as they come, movie tips, or quotes from books, this notebook's pocket-size means you can keep your notes with you all the time! This proven traditional format in natural colours made from 100% recycled paper is simply ideal.

 90 × 140 mm (smaller A6)

Interior paper weight: 80 g/m<sup>2</sup>

Pages: 64

Lines: dots (↔ 5 mm)

Binding: stitched hooks

Cover: dyed recycled cardboard

Vertical band: yes

Colours: ● ●

- Compatibility with pencil bands
- 100% recycled paper
- Two colours

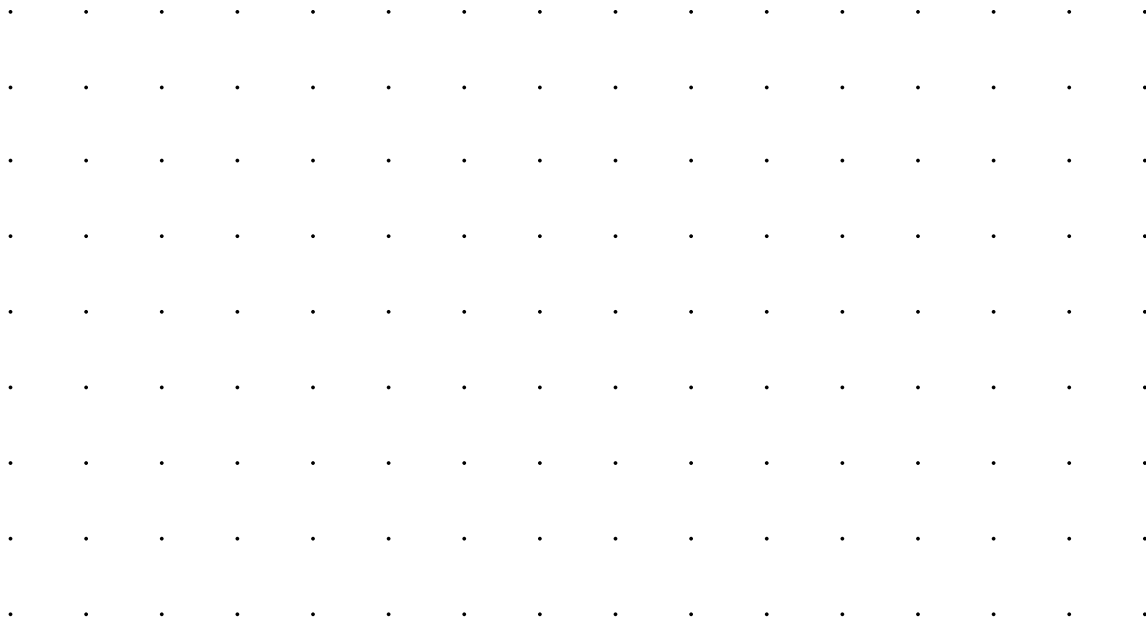

# Datebooks

# Planning system

## Planoo

Plan creatively! Let your imagination be inspired and configure your own datebook to your needs. All components are protected by practical covers made from vegan leather.

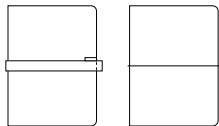

# Datebooks

## Planoo Cover

A handy binder made from durable vegan leather that will provide years of use. It's great on its own, but at its best when combined with a planning set. Its configuration is up to you so you can configure it to your needs! You can add dividers, a tear-away pad, or other components to complete your set.

 A4 210 × 297 mm | A5 148 × 210 mm

Binding capacity: about 140 sheets

Compatibility: A5/A4 formats, standard ring binding

Binding: Metal rings with spacing of 8 cm

Boards: high-weight vegan leather made from cellulose

Integrated bands: yes

Colours: ●

Bonus: The 10 Commandments of Productivity by Daniel Gamrot and the 10 Commandments of Creativity by papelote

→ Durable covers made from vegan leather

→ Ring binders with standard spacing

→ Accessories for creating a planning set

## Soft Vega Cover

A clip marks the current day in the planner within light but durable vegan leather covers made from cellulose. You can add all important papers wherever you want, and when they get dirty just wash the cover at 30°.

 A4 210 × 297 mm | A5 148 × 210 mm

Binding capacity: about 60 sheets

Compatibility: A5/A4 formats

Binding: metal exchangeable clip with spacing of 8 cm

Boards: lower-weight vegan leather made from cellulose

Integrated bands: no

Colours: ● ● ●

Bonus: A stamped motif on the front cover

→ Durable covers made from vegan leather

→ A clip to hold notes or mark dates

→ Space to add other documents

# Datebooks

## Tearaway Notepad

A tearaway notepad with a firm back that is ideal for quick notes and sketches. It's great on its own but looks best in a stylish Planoo cover made from durable vegan leather or in a soft vegan leather cover.

 A4 210 × 297 mm | A5 148 × 210 mm

Interior paper weight: 90 g/m<sup>2</sup>

Sheets: 60

Lines: blank pages | lines | dots (↔ 5 mm)

Binding: glued into the spine

Compatibility: Planoo A5/A4 covers, A5/A4 soft vegan covers

Pad: hard paperboard

Colours:   

→ Smooth paper appropriate for use with pens

→ Standard binder holes for additions

→ A solid pad from paperboard

## Weekly Planner

A tearaway planner helps coordinate household chores and work tasks. It's great on its own but looks best in a stylish Planoo cover made from durable vegan leather or in a soft vegan leather cover.

 A4 210 × 297 mm | A5 148 × 210 mm

Interior paper weight: 90 g/m<sup>2</sup>

Sheets: 60

Use: For work tasks, family and workout plans, and weekly schedules.

Binding: glued into the spine

Compatibility: Planoo A5/A4 covers, A5/A4 soft vegan covers

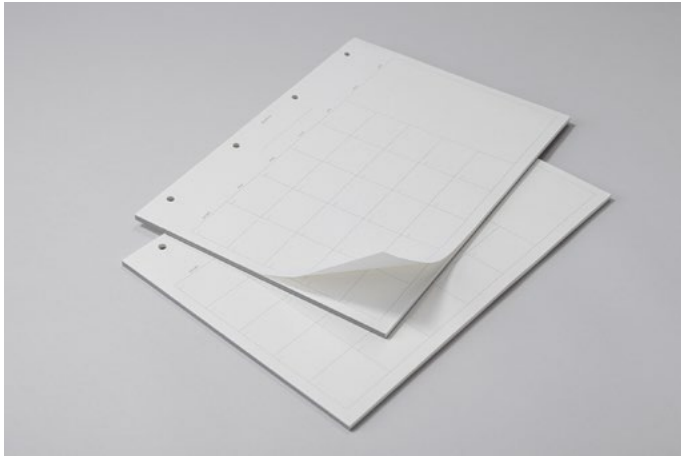

Pad: hard paperboard

Colours: 

→ Smooth paper appropriate for use with pens

→ Standard binder holes for additions

→ A solid pad from paperboard

## Monthly Planner

Plan an entire month ahead and enjoy the feeling of checking off individual tasks. It's great on its own but looks best in a stylish Planoo cover made from durable vegan leather or in a soft vegan leather cover.

 A4 210 × 297 mm

Interior paper weight: 90 g/m<sup>2</sup>

Sheets: 30

Use: For work tasks, family and workout plans, and weekly schedules.

Binding: glued into the spine

Compatibility: Planoo A5/A4 covers, A5/A4 soft vegan covers

Pad: hard paperboard

Colours: 

→ Smooth paper appropriate for use with pens

→ Standard binder holes for additions

→ A solid pad from paperboard

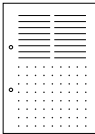

# Datebooks

## Tearaway To-Do-List Pad

The Tearaway To-Do-List is the foundation for your success, not just at school or work, but also for personal tasks. Just jot down what you need to do and enjoy the feeling of not having to worry about them in your head. It's great on its own but looks best in a stylish Planoo cover made from durable vegan leather or in a soft vegan leather cover.

 A5 148 × 210 mm

Interior paper weight: 90 g/m<sup>2</sup>

Sheets: 60

Use: At work, at school, but also at home – for example, each column for one family member.

Binding: glued into the spine

Compatibility: Planoo A5/A4 covers, A5/A4 soft vegan covers

Pad: hard paperboard

Colours: ●

→ Smooth paper appropriate for use with pens

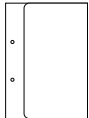

→ Standard binder holes for additions

→ A solid pad from paperboard

## Folder

A resilient and spacious folder for anything that can't be added to a binder! It's a space for all clippings, stickers, or anything else you may need to keep with you.

 A5 148 × 210 mm

Use: a space for all notes, business cards, or post-its

Compatibility: Planoo A5/A4 cover

Note: Can be added to any two-ring binder, but it looks best in a Planoo cover.

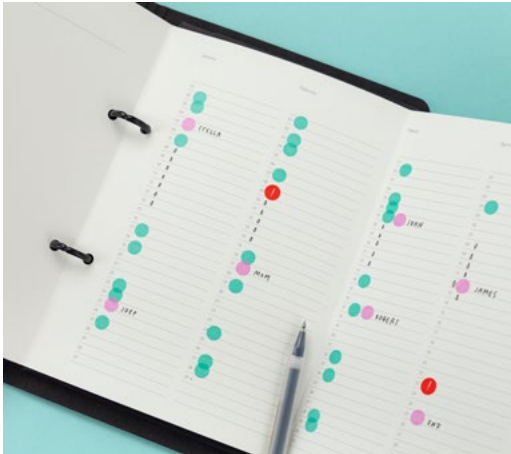

Colours: ●

→ For filing all small pieces of paper

→ Can be added to a binder

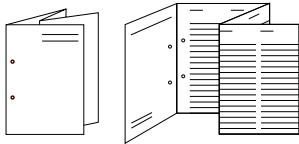

→ Firm coloured cardboard

# Datebooks

## Annual Planner

Every planning set needs an annual overview that serves as a minimalistic version of a day planner. You can map out all your sports, personal, and work engagements. It's best suited for Planoo covers made from vegan leathers but can also be added to any binder.

 210 × 550 mm, folded to A5 format

Paper weight: 240 g/m<sup>2</sup>

Pages: 6 (folded together)

Use: A brief annual plan for records of birthdays, anniversaries, or tracking progress.

Compatibility: Planoo A5/A4 cover

→ Smooth paper appropriate for use with pens

→ Standard binder holes for additions

→ Folds into a practical A5 format

# Datebooks

## Dividers

Five dividers that can each have their own function. The various covers and shapes playfully separate all your plans and notes exactly the way you want them.

 A5 148 × 210 mm

Paper weight: 300 g/m²

Number of sheets: 5

Monochrome options: 

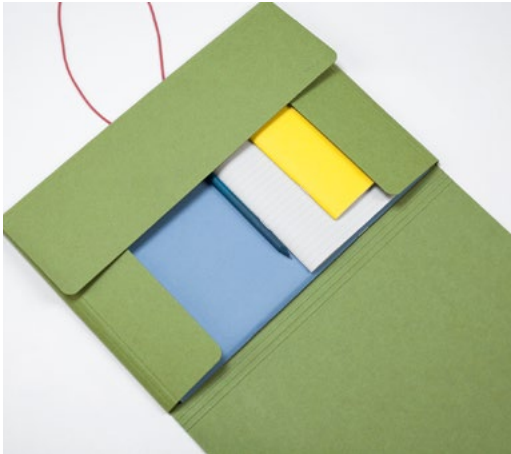

Colours: 

- Two colour sets to please any user
- Dyed heavy cardboard
- Holes for binders
- A practical ruler included

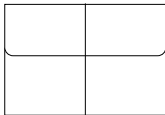

# Datebooks

## Foldo

Paper folders made from recycled paperboard that is firm and resilient. Its adjustable flap means it can transform to meet the user's needs.

 A4 210 × 297 mm

Material: firm paperboard that can handle daily use and being carried in a backpack or briefcase

Integrated band: yes

Colours: 

Tip: The minimalist design can be completed with personal decorations such as labels or ribbons.

→ 100% recycled paperboard

→ Adjustable flaps

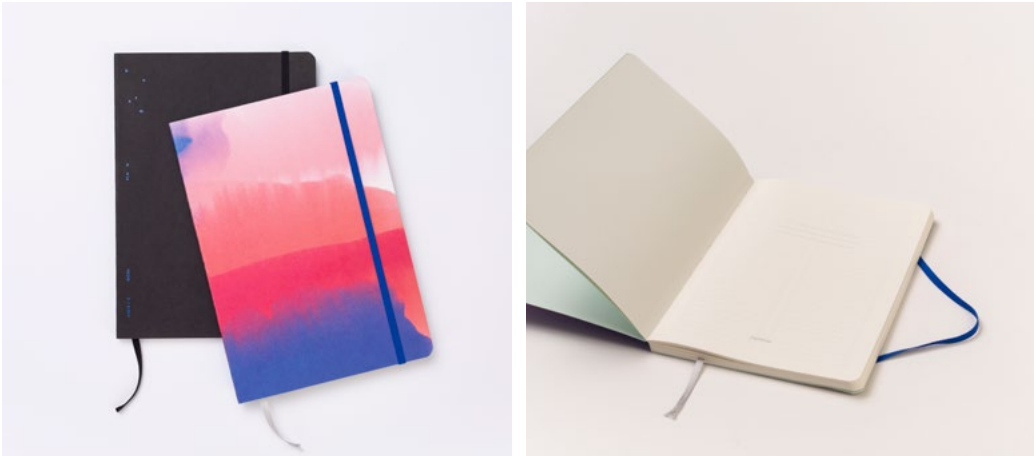

→ Integrated band to keep the folder closed

→ Various colours

# Datebooks

## Undated diary Vega

Our only column diary is taken out on the desks of professionals whose workday is dictated by meeting after meeting. However, the generous space for planning, hidden in the elegant panels of durable vegan leather, will be appreciated by anyone who wants to bring more structure to their life.

A5 148 x 210 mm

Interior paper weight: 100 g/m²

Calendar: weekly

Binding: sewn flexible

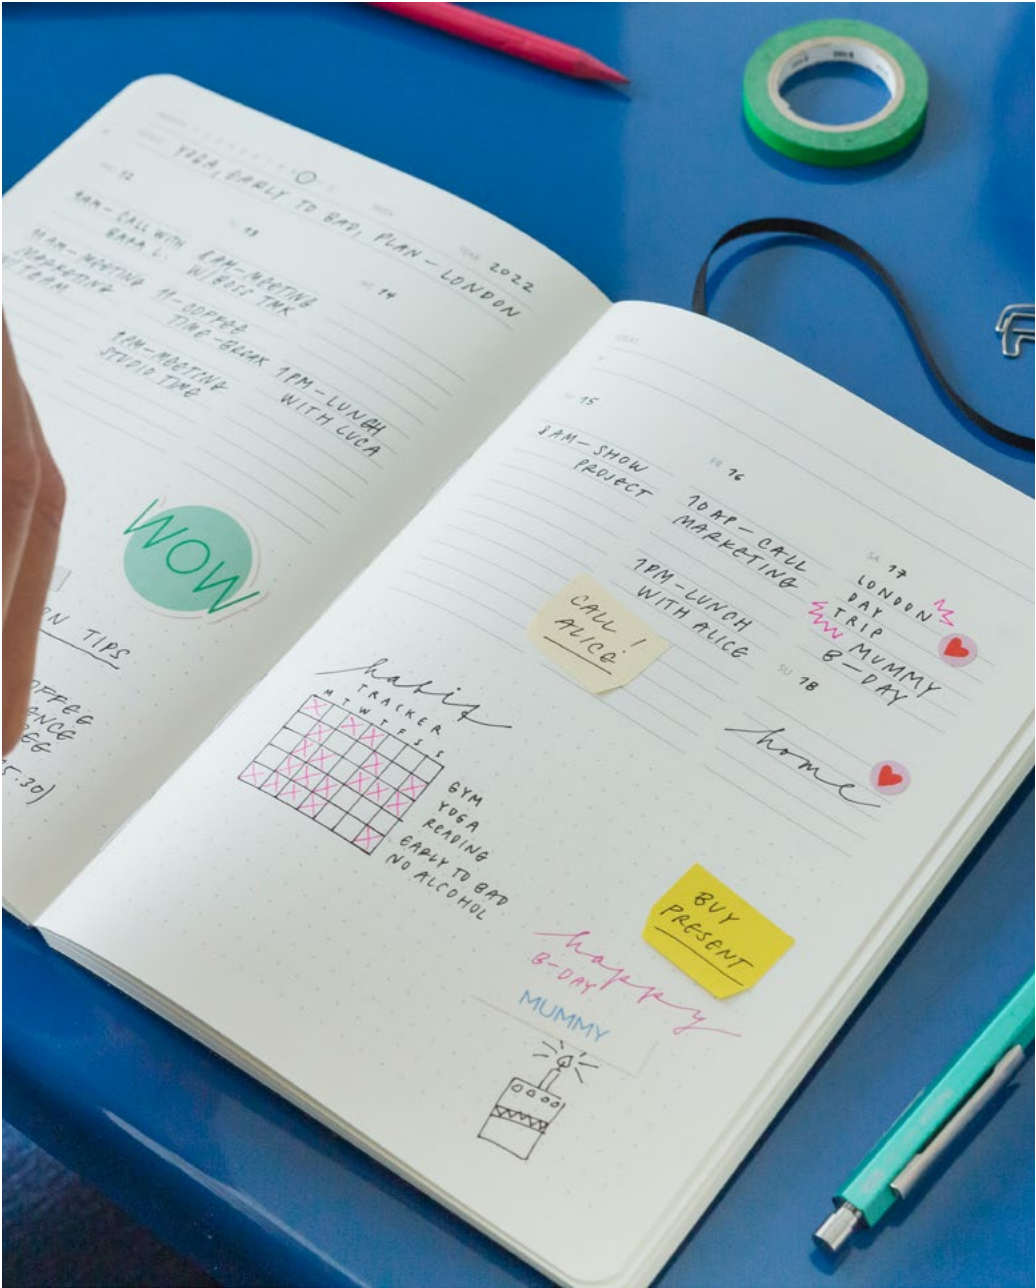

Boards: lower-weight vegan leather made from cellulose

Vertical band: yes

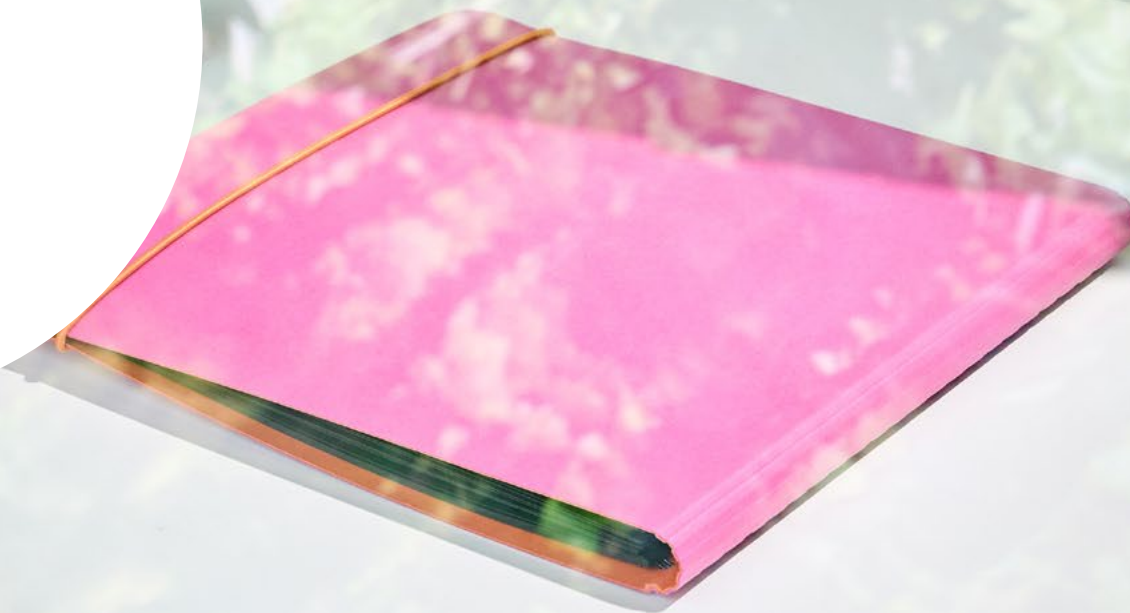

Textile bookmark: yes

Colours: ● ●

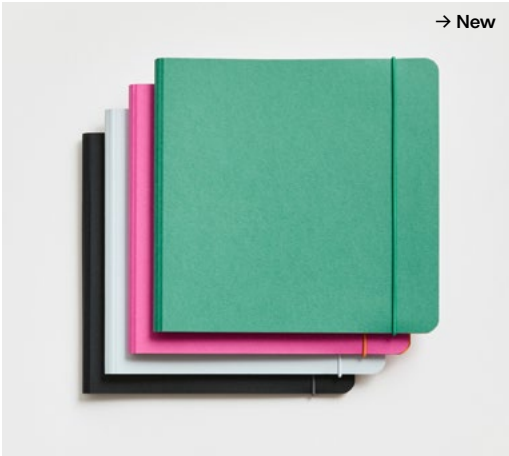

- Compatibility with pencil bands
- Durable covers made from vegan leather
- Integrated vertical band to keep the datebook closed
- Weekly calendar with space for notes

# Photo Albums

# Photo Albums

## Photo Album 2.0

Weddings, new-borns, birthdays, or a memorable summer vacation: No matter what you want to remember, a photo album is the most personal way to do it.

 small 200 × 200 mm | large 280 × 220 mm

Pages: small 20 pages (up to 40 pcs 90 × 130 mm photos) | large 25 pages (up to 150 pcs 90 × 130 mm photos)

Interior paper weight: 300 g/m²

Page colour: ●

Binding: concealed binders

Covers: dyed cardboard

Integrated band : yes

Colours: ● ● ● ●

- An integrated band to close the album
- Two sizes according to the number of photos
- An internal pocket for small keepsakes

## Leporelo

A romantic engagement, a family celebration, or a wild party? Even lesser but still significant moments deserve their own pedestal. This black album for traditional photos or polaroids captures any memory, making it an excellent gift for your loved ones.

 150 × 150 mm

Pages: 10 (up to 10 pcs 90 × 130 mm photos)

Interior paper weight: 300 g/m²

Page colour: ● ●

Binding: glued concertina

Covers: dyed cardboard

Integrated band : yes

Colours: ●

- An integrated band to close the album
- Two colour options
- Concertina folding into a compact size

# Bands

# Bands

Bands are presented on compostable boards with all the necessary information making the product easily understandable for the customer. It also makes their display and sales much easier. The board communicates the price, bar code, information about the papelote brand, the product's unique benefits, and its environmental friendliness.

We also offer a practical cardboard stand free of charge (11.5 × 24 × 36/13cm, the back of which can be removed) to help sales. It can display a total of 21 bands (7 of each of the 3 sizes available). The stand is designed for sales on a counter but can be used on shelves without the back side. It will greatly help sales if you can find the space for it.

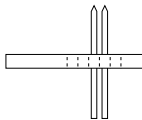

# Bands

## Bands for Pencils

Multipurpose pen/pencil holders can be used to fasten a closed book or even several notebooks, or just throw them into your bag. Our playful bands are a product wholly made from Czech components and papelote holds an international patent for its design!

 A4 | A5 | midi | A6

Material: Czech rubber with textiles

Use: Bands with holders for pencils or pens placed over a notebook or just tossed into a bag.

Compatible with: Spiral, Softblok, Classic, Professio, Planoo

Craftsmanship: local product produced in at-home workshops

Number of pencil holders: up to 5

Colours: wide range

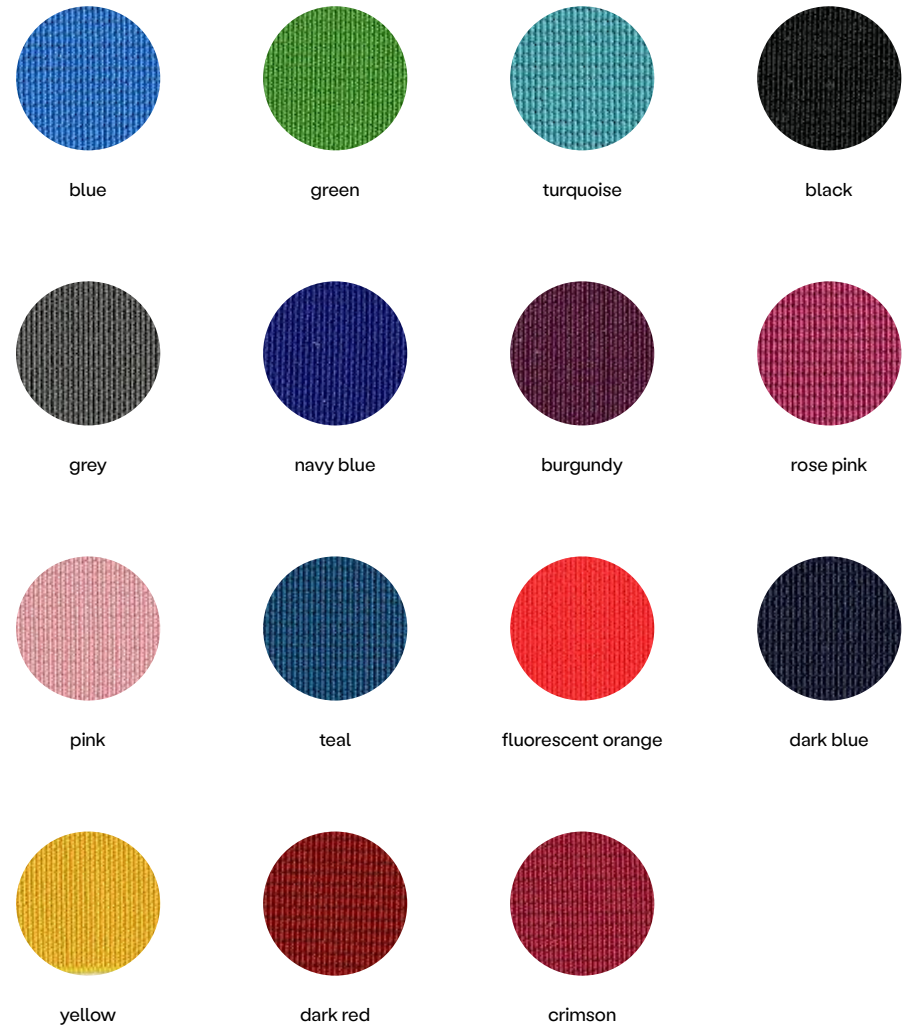

**Note: The bands for the pencils are our invention that we patented.**

→ Compatible with papelote notepads and notebooks

→ Locally-made product made in at-home workshops

→ A wide range of colours

→ Internationally patented

Bands

Keyring Band – wrist

How did we not think of this sooner? We made bands for pencils for so long that we realized they also make the ideal keychain that means you'll never look for your keys for longer than 3 seconds. Each family member can have their own colour! Just put them on your wrist once you're approaching home.

 Band size: 17 cm

Material: Czech rubber with textiles and a metal keyring

Use: Add keys to the ring and put the keychain on your wrist when you need it.

Tip: For the Entire Family – the four colours mean each family member can have their own.

Colours: 

- Local product made in at-home workshops
- A practical accessory for the entire family
- Various colours

Keyring Band – neck

Not even the most forgetful child can lose keys that are safely hanging from a colourful band around their neck. The carabiner means you can also add important cards and other documents. This keyring is ideal for children and comes in four different colours.

 Length with the carabiner: 44 cm

Material: Czech rubber with textiles and a metal carabiner

Use: Add keys to the carabiner and hang it around your neck, or around the neck of someone who often loses their keys.

Tip: Can also be used by adults for conference nametags.

Colours: 

- Local product made in at-home workshops
- A practical accessory for the entire family
- Various colours

# Bands

## Boards for Bands

We present the bands on compostable cardboard boards showing all the necessary information to make the product understandable for the customer. They also make display easier and support sales.

 A4 | A5 | midi | A6

Material: Natural compostable cardboard

Colours: ●

Tip: We offer a cardboard stand for the bands free of charge.

- Boards for all types of papelote bands
- Compostable material
- Pre-printed information about the product
- Free display stand

# Stickers

# Stickers

## Label Sticker Sheet

Labels for gifts, photo albums, or just fun decorations for notebooks, but you could also find more uses for our label stickers. Give it a try and let your creativity go. The sheets can also be combined with our planning sets.

 A5 148 × 210 mm

Paper weight: 125 g/m<sup>2</sup>

Pages: 1 sheet of stickers

Compatibility: Planoo A4/A5

Colours: 

- Various shapes
- Holes for binders
- Tips for use on the reverse side

## Wedding Stickers

Make sure your memories of your big day don't fade and decorate your wedding album to remind you of great memories for years to come. Stickers make that job easy!

 165 × 185 mm (when folded)

Paper weight: 125 g/m<sup>2</sup>

Pages: 1 folding sheet of stickers

Use: The stickers look best when used with our handmade photo albums.

Gift Idea: We also offer sets in cloth packaging if you want to make someone's day.

- Various shapes
- Folding format to include more stickers
- Tips for use on the reverse side

# Stickers

## Stickers for Datebooks

Stickers for all occasions: A sheet of stickers so you can look forward to exciting upcoming events!

 A6 105 × 148 mm

Paper: a mix of new and recycled fibres

Pages: 1 sheet of stickers

- Round stickers
- Compact format
- Tips for use on the reverse side

## Bohemia Stickers

A sheet of stickers inspired by Bohemia. Want to show off the best of the Czech Republic, but words aren't enough? Try stickers! They're only missing some fried cheese and a bit of traditional Czech humour.

 80 × 135 mm

Paper weight: 125 g/m<sup>2</sup>

Pages: 1 sheet of stickers

- Round stickers
- Compact format pads/notebooks
- Tips for use on the reverse side

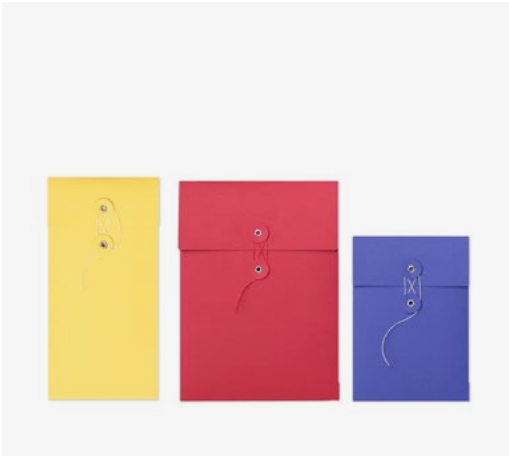

# Envelopes and Cards

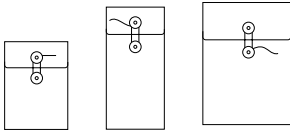

# Envelopes and Cards

## Japanese Envelope

A line of handmade envelopes with smooth vertical flaps give the card, gift certificate, or announcement a dash of elegance.

 A5 148 × 210 mm | A6 105 × 148 mm | DL 110 × 220 mm

Material: dyed heavy cardboard

Tip: Traditional Japanese envelopes using buttons and strings hold tight and thus can be securely sent by post.

Colours:    

- Several standard formats
- Japanese-style fastenings
- A wide range of colours

## Soft to the Touch

A blank card with reliefs that are pleasantly soothing to the touch to express how much you care. The DL format card fits perfectly into out Japanese envelope.

 DL 110 × 220 mm

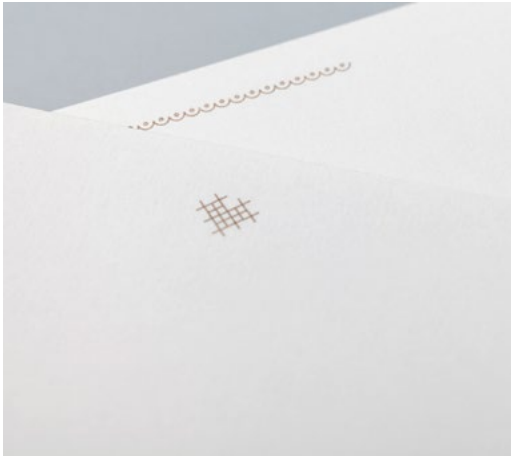

Paper weight: 300 g/m<sup>2</sup>

Pages: 1 card with a motif

Motifs: framing, cloud, marriage, leaves, landscape

- Standard DL format
- Several relief motifs
- Compatible with the Japanese envelope

# Envelopes and Cards

## Compliment

A small card with a message is a thoughtful addition to a gift but can also include an important message by itself. The format fits perfectly into the sleeve designed for it.

 115 × 77 mm

Material: paper from environmentally friendly production with a natural surface

Colours: ●

- Compact format for short messages
- Several motifs for various occasions
- Space for your own message

## Compliment Sleeve

A selection of colourful sleeves for our Compliment card and its message. The soft paper of the card and the sleeve come from environmentally friendly production.

 115 × 77 mm

Material: paper from environmentally friendly production with a natural surface

Colours: ● ● ● ● ●

- Several colour options for the sleeve
- Several motifs for various occasions
- Space for your own message

# Envelopes and Cards

## Card with a Surprise

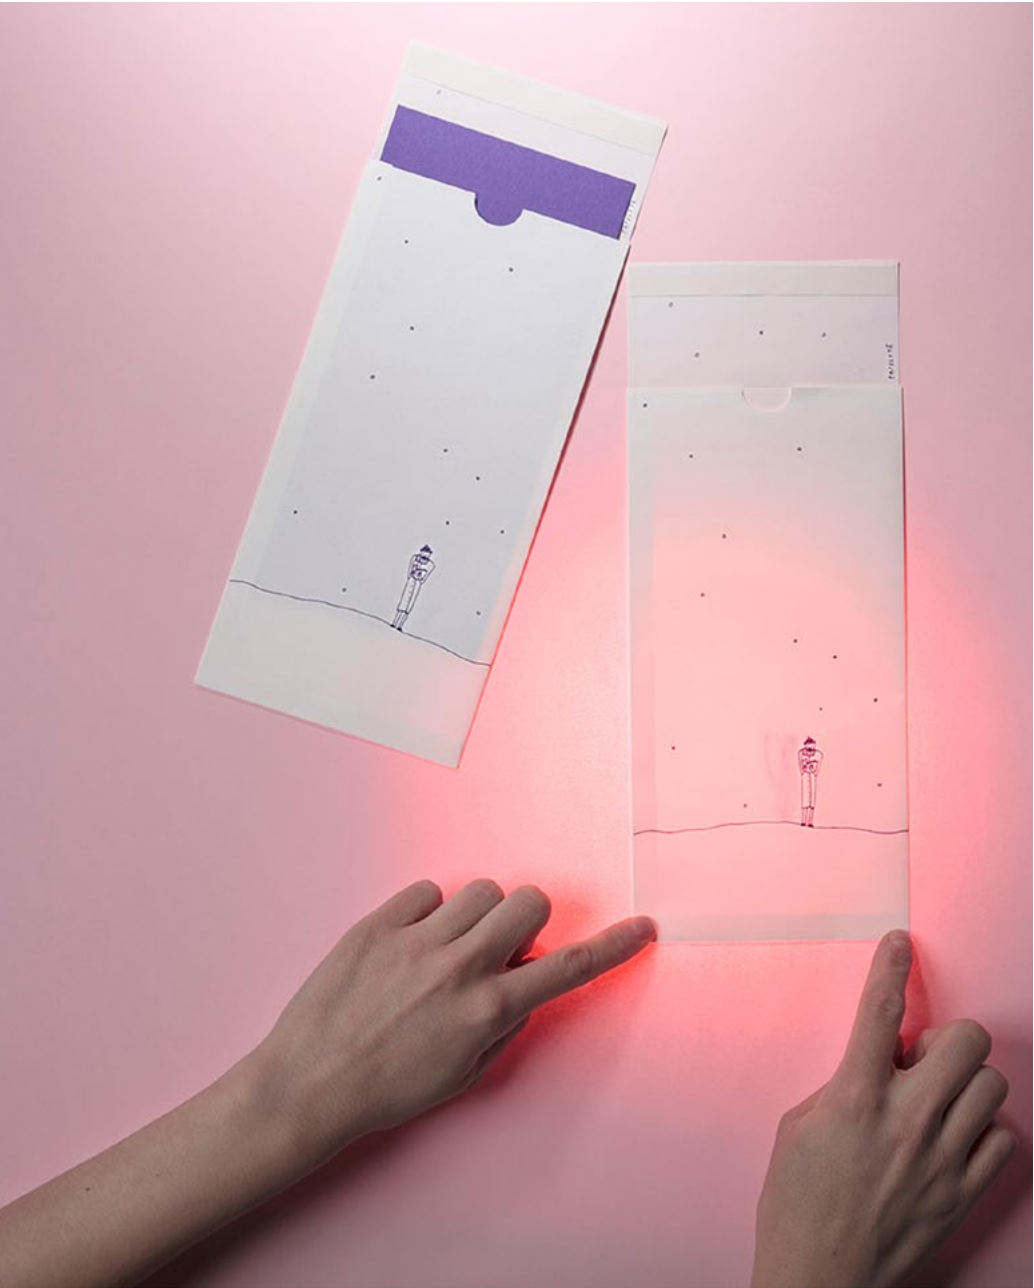

The blank Compliment can be a gift for clients, friends, or employees. But here the envelope conceals more than meets the eye: Just look through it into a light and you'll see a little miracle. Each motif has a different internal card colour.

 DL 110 × 220 mm

Material: dyed heavy cardboard with an envelope with the highest environmental certification

Motiv a Colours:  Angel |  Thanks |  Native |  Heart |  Hands

- Several colours and illustrations
- Space for your own message
- An envelope with a surprise
- Envelope and card come as a set

# Pencils and Crayons

# Pencils and Crayons

## papelote Pencil

A single pencil can write up to 50,000 words, so it makes sense to get the right one. High-quality papelote pencils will be valuable tools, both long and pocket-sized versions, with an eraser or without. And don't be afraid to doodle because our pencil can do it all!

Pencil hardness: HB (medium hard)

Colours: ☐ ☐ ☐ ☐

- With or without erasers
- Long and pocket-sized versions
- Medium hard for writing and drawing

## Stained Pencil

Pencils made from Eastern White Pine wood stained with food colouring that really taste great! The trees were grown in South Moravia, and the pencils come in full-length or pocket sizes, but both are a joy to write with.

Pencil hardness: HB (medium hard)

Colours: ☐ ☐ ☐ ☐

- Dyed using food colouring
- Long and pocket-sized versions
- Medium hard for writing and drawing

# Pencils and Crayons

## Half-Dipped Coloured Pencils

Coloured pencils that are half-painted and half-stained will please not just kids and students, but can also serve as a highlighter. They will be a welcome addition to regular pencils and pens both at the desk, in a bag, or in a travel case.

Material: South Moravian Linden wood

Colours: ● ● ● ● ●

Tip: The pencils can do more than draw and are an environmentally friendly alternative to highlighters.

- Decorated with playful icons
- Wood from South Moravia
- Can be used as a highlighter

## Coloured Pencil Set

Half the pencil is painted and half is stained using food colouring. The set includes all colours you need to tell your visual story.

Material: South Moravian Linden wood

Colours: ● ● ● ● ●

Tip: The pencils can do more than draw and are an environmentally friendly alternative to highlighters.

- Decorated with playful icons
- Wood from South Moravia
- Can be used as a highlighter

# Accessories

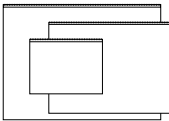

Accessories

Papero Sleeve

This indestructible and waterproof sleeve made from tyvek will protect your treasures from loss and unexpected accidents. This material combines the characteristics of paper, textiles, and plastic, and it's indestructible, waterproof, and washable while also looking great

- Indestructible and waterproof material

Papero Pencil Case

A practical pencil case with a delicate pattern made from 2-millimetre paper on the one side and the iconic blue colour of old school notebooks on the other. The cases are made from tyvek, a material that combines the characteristics of paper, textiles, and plastic, and it's indestructible, waterproof, and washable while looking great!

 small 220 × 85 mm | large 210 × 55 mm

- Material: tyvek
- Closure: zip with a cloth pull
- Motif: a delicate pattern of 2mm paper | iconic blue of old school notebooks
- Colours: ☐ ☒

- A practical zip
- Can be recycled with plastics
- Indestructible and waterproof material

# Accessories

→ Upcycling

## UPCYCLE Tearaway Notepad

Paper for messages and notes: This single-sided tearaway pad upcycles pages from unsold planners that now have a chance for a second life!

 small 80 × 80 mm | large 90 × 160 mm

Paper weight: 80 g/m²

Pages: 128

Colours: ○

- Large number of pieces of note paper
- Two practical sizes
- A product upcycled from our planners

## Pen Sleeve

A sleeve made from vegan leather using cellulose that is highly resilient and can even be washed. It has space for a high-class pen, two regular pens, or three regular pencils. It's perfect for that heirloom pen because the tough vegan leather guarantees nothing will happen to it.

 long 40 × 160 mm | short 40 × 125 mm

Material: vegan leather from cellulose

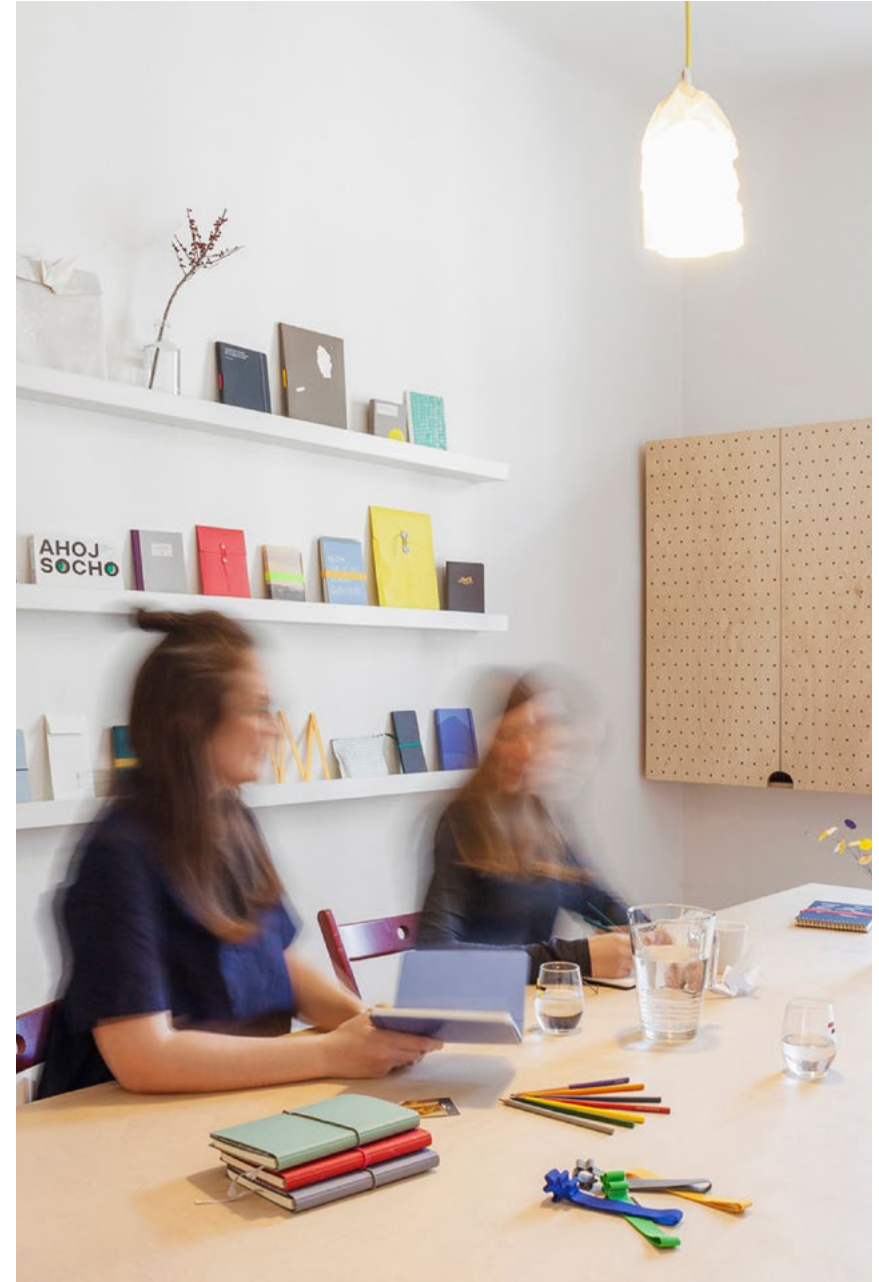

Tip: The sleeve is washable!

Colours: ● ●

- Very resilient material
- Two colour options
- Made in the Czech Republic

# papelote studio

Papelote also has its own creative studio that offers its services to companies that deeply care about their corporate culture and what they use as stationary or give their partners and clients as gifts. We offer an alternative solution for office supplies (notepads, notebooks, datebooks, writing utensils, etc.), covers (bags, wrapping paper), and gifts made from paper, plastics, and other materials.
